PROFILE INFO

I am a dedicated and results-driven IT student currently pursuing a Bachelor's degree in Information Technology at the University of Moratuwa. Building on my diploma in IT, where I graduated with a Distinction Pass from Wayamba University, I am passionate about applying my knowledge and skills to solve real-world problems. I have a strong interest in Web Development, App Development, Front-End, and Back End development. My goal is to leverage my academic experience and practical skills to make a meaningful impact in the IT industry.

PROJECT

School Teacher Management System (STMS) | 2024
University of Moratuwa, Sri Lanka

HTML, CSS, JavaScript, Ajax, UX/UI, Bootstrap, Front-End

- Created intuitive and responsive user interfaces using HTML, CSS, and JavaScript.
- Implemented AJAX calls to interact with the backend, ensuring a seamless and dynamic user experience.
- I focused on the design and usability aspects of the system, ensuring the UI/UX was accessible to all users.

Car Rental Management System (CRMS) | 2023
University of Moratuwa, Sri Lanka

C#, Visual Studio, SQL, Back-End, Front - End, Database

- Developed a comprehensive Windows application using Visual Studio, C#, and SQL.
- Designed a user-friendly UI/UX that is easily accessible to all users.
- This software solution empowers car rental companies to efficiently manage their operations through a sophisticated computer-based system.

Library Management System (LMS) | 2023
Wayamba University of Sri Lanka

Visual basic, MS Access, Front -End, Back-End, Database

- Developed a Windows application using Visual Studio, Visual Basic, and Microsoft Access.
- Designed a user-friendly UI/UX that is easily accessible to all users.
- This comprehensive software solution enables efficient management of library operations, including lending, inventory control, fine management, and staff and reader management.

EXPERIENCE

Volunteer IT Assistant | 2022 - Present
Kalmunai Tamil Cultural Development Forum(KTCDF) | Kalmunai, Sri Lanka

- Provided technical support to staff members, including software and hardware assistance.
- Utilized MS Office suite for various administrative tasks such as documentation, presentations, and data analysis
- Contributed to the development and maintenance digital platforms
